PROFILE INFO

Detail-oriented Product designer with 9 years of experience. Excellent writing, analytical thinking, and research skills.

More than 7 years of experience in Web and Graphic design. I am working under Adobe Environment, 3Ds Max, Corel, Audacity, Sitebulb, Screamingfrog, Ahrefs, SEMrush, Rank Tracker, etc.

I also work on Business Modeling, Value proposition design, and Product development for startups. All from personal experience on my own startup, while designing, producing and launching 13 toys to the market.

WORK EXPERIENCE

Independent freelancer **2023 - present**

As a self-employed developer I had a chance to learn the whole process in web development. My main focuses are Web development and SEO, and search psychology.

SEO specialist and data analyst **2022 - 2023**
InstaDigital d.o.o.

Effectively mined unstructured data spanning across several different international projects pointing out key future trends. Update content and links, optimizing copy and pages for SEO. Researching and implementing content recommendations for organic SEO success.

CEO **2016 - 2022**
Igraj Uči Rasti d.o.o.

I ran a business that contributed to solving the problem of improper child development and lack of stimulation of cognitive and intellectual abilities. Through design thinking and lean methodologies, I designed and produced 13 toys.

CEO **2011 - 2016**
Unique Youth Organization

Representing the organization, coordination and ensuring of necessary resources for the operation and implementation of project activities, supervision and management of the overall work of the organization.

COVER LETTER

Hey, my name is Armin, and I'm here to offer some of the quality skills I developed over the years of practice and work.

I'm a WordPress developer and SEO specialist with 8 years of experience working for individual clients, companies, and my startup.

Some of my areas of expertise:

- Backend/Frontend development (WordPress)
- Page Speed Optimization (Core Web Vitals)
- Digital Marketing
- Virtual assistant & Troubleshooting
- SEO Strategy
- Sales funnel development
- Facebook & Instagram PPC Advertising
- Campaign optimization and targeting

Other skills:

- Business modeling
- Design thinking
- Rapid prototyping
- Proposal Writing
- Strategic planning
- Project management

I'm a goal-oriented and self-driven individual who also enjoys exploring and making things with my hands.

If you have any questions, feel free to reach out to me; I will be happy to answer them.

Looking forward to working with you!

Have a good one!
